McCONE CONFIRMATION

To the Editor:

May I congratulate you on your fine editorial entitled "McCone is Confirmed."

Unfortunately McCone is not the only official who has been appointed to a position of public trust when a clean conflict of interest has been shown or proven. It occurs not only in the federal but also in the state and municipal governments.

I here and now extend my heartfelt congratulations to the 12 senators who voted against the confirmation of McCone especially to our wonderful Lady Senator, Margaret Chase Smith.
